

At the Wednesday, October 29th work session, Dr. Williams presented two new alternatives to the board (Option E and F). **At this time**, the board has asked Dr. Williams to provide them with more in-depth information on the two new options. Here are the options.

Option E – Close North Dearborn: Realign Bright Elementary and Sunman Elementary to K-5 buildings; realign the Intermediate School to K-5 from North Dearborn, plus the corporation 6th grade.

Option F – Set maximum class sizes at all three (3 elementary schools) to:

- a. 25-1 Grades K-2
- b. 30-1 Grades 3-4

These are the two options that the board is looking at **currently**. This is **not a definitive** that it will be one of these two options. **The board may be given other options to consider, the two options above are the ones that they are currently reviewing.**

The school board meeting for November has been moved to the third Thursday, November 20th at 7:00 p.m. in the Performing Arts Center at East Central High School.
