2. Each grievance shall be submitted in writing on a Grievance Form approved by the Board and the Association (See Appendix "D") and shall identify the aggrieved party, the provision of the agreement alleged to have been violated, the date and place where the alleged events or conditions constituting the grievance arose, a general statement of the grievance, and redress sought.

A. Accumulated sick leave shall accumulate to a total of ninety (90) days. Any teacher with a balance of over 90 accumulated sick days at the end of the current school year will receive \$50 per day for each day over 90. These days will be paid out 30 days after the current school year is complete. All teachers must participate in sick day buyout.

B. Leave accumulated in the last school system prior to teaching in the Sunman-Dearborn Community Schools shall be transferred at the rate of three (3) days per year after completing one (1) year in the system until all such days have been transferred.

C. Each teacher will be granted eleven (11) discretionary days and two (2) personal days. Discretionary days are to be used at the teacher's discretion. Personal days are to be used to conduct personal business that cannot be conducted outside of the regular school day.

D. The discretionary days must be exhausted before the teacher may use their accumulated sick leave days. A physician's note is required to use accumulated sick days for either the teacher or the teacher's immediate family.

E. Any teacher who has been certified by a physician to be unable to perform his/her duties for medical reasons, for a period of time extending beyond the teacher's accumulated sick leave days, shall have a teaching position held for a period of time not to exceed one (1) full school year beyond the school year in which the disability was granted. During the disability a teacher may continue his/her group health insurance program by paying the monthly premium to the schools corporation's central office.

F. An unpaid leave of absence of up to one year may be granted for the purpose of caring for a sick member of the employee's immediate family. Immediate family is defined as a spouse, son/daughter, parent or a relative whose permanent home is in the teacher's home.

G. In case of death in the immediate family, a teacher shall be entitled to be absent without loss of compensation for not more than five (5) consecutive school days within seven (7) calendar beyond the death. H. In case of death of a nephew, niece, aunt, or uncle, up to one (1) day with pay shall be allowed for the funeral. The use of such days shall not be deducted from the teacher's cumulative sick leave or discretionary days. Additional days(s), without pay, may be granted with approval of the Superintendent.

I. Salaries of teachers attending professional meetings may be allowed providing the Superintendent grants approval for such attendance. The Board may provide an expense allowance for such professional meetings.

J. Teachers may be granted pay for one (1) day per year to visit and observe another school system. Approval of the Superintendent as to the school system to be visited and the date of such visitation is to be obtained at least two (2) weeks in advance.

K. Teachers who receive temporary teaching contracts and who commence employment after the opening of the regular school year shall be granted a proportionate allotment of annual leaves, except for bereavement leave which shall be granted as provided in paragraphs E and F of Article IV. The proportionate leaves shall be determined to the closest one-half (1/2) day segment.

L. A teacher who is pregnant shall be entitled upon request to a leave of absence to begin any time between the commencement of her pregnancy and one (1) year following the birth of her child. Said teacher shall notify the Superintendent in writing of her desire to take such leave and of the expected duration of such leave. Such written notice shall be submitted at least thirty (30) days prior to the beginning of the leave, except in case of emergency. The teacher shall include with the written notice a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable.

A teacher who is pregnant may continue in active employment as late into her pregnancy as she desires provided that her physician certifies she is able to perform properly her teaching duties, and may return to teaching as soon after the birth of her child as she desires, provided she has notified the Superintendent in writing of her desire to return to teaching at least fourteen (14) days prior to the expected return and provided such notice is accompanied by a physician's statement certifying that she is able to perform properly for teaching duties.

A teacher taking leave under this provision shall be entitled to use accumulated sick leave but shall be required, at the option of the school corporation, to present a doctor's certificate of disability to justify such use of accumulated sick leave days.

M. Adoptive leave, without pay or benefits, shall be granted to a teacher requesting such a leave for a period of up to one (1) year. A teacher applying for adoptive leave shall, upon initial application with the adoptive agency, notify the Superintendent in writing of that intent. The period of leave shall commence when the child is physically turned over to the teacher-parent, or sooner, if required by the adoptive agency.

If a teacher who was granted leave under this section wishes to continue insurance benefits during the period of the leave, it shall be the responsibility of the teacher to make arrangements, in advance, with the Corporation's Business Office to continue such insurance benefits at the individual's expense. A failure to make and follow through with such advance arrangements will result in the individual being dropped from the group plan. This provision is subject to the approval of the carrier(s). The teacher may elect to utilize his/her accumulated sick days, however, the discretionary days must be exhausted first.

N. The purpose of the Voluntary Sick Leave Bank (hereafter referred to as the Bank) is to provide personal illness leave to contributors to the Bank after their accumulated personal illness leave has been exhausted--and more specifically to provide such leave from the Bank in case of prolonged illnesses. The Bank rules and guidelines are as follows:

1. Enrollment in the Bank by bargaining unit members will begin April 1 of the preceding school year and end on September 30 of the current school year, or only during the first four (4) weeks following the first day of employment for any licensed personnel employed after September 30.

2. The Bank shall be established for all bargaining unit members of the Sunman-Dearborn Community Schools who indicate their desire to participate by contributing the individually required number of days as indicated in Rule 9-c below.

3. The Bank shall be administered by the SBC in accordance with the following provisions:

a. The Bank may be used only by the individual contributor for his/her personal illnesses.

b. Days from the Bank may be used only for those work days that the individual contributor is employed under a Regular Teacher Contract.

c. Any person desiring to participate in the Bank will initially donate one (1) day of his/her discretionary days to the Bank. Additional days will be required by the SBC in accordance with Rule 9-d below.

d. If the number of days in the Bank falls below fifteen (15) days prior to May 1 of any year, each participant will be required to donate one (1) additional day of his/her accumulated sick leave to the Bank. If a member has used all of his/her sick leave, the additional day will be donated as soon as new sick leave is granted but such delay shall not prevent the member from using days from the Bank.

e. All days, once donated to the Bank, become the property of the Bank.

f. The maximum number of total days available to be used shall not exceed eighty (80). If this amount is reached at any time during any year, the Bank will cease to grant further days for the remainder of that year.

g. All requests to receive grants from the Bank must be submitted in writing to the SBC on the prescribed Form (Appendix G). The SBC may grant days on a retroactive basis.

h. Any person submitting a request to use the Bank must have his/her proper contribution and meet all eligibility requirements. If a person is physically unable to submit the form, the Forms may be submitted by a proxy.

i. A person will not be able to withdraw days from the Bank until his/her own accumulated sick leave is depleted.

j. Days granted from the Bank can only be used for extended illness or disability.

k. All requests will need to be approved by the SBC. No use may extend more than twenty (20) working days per teacher and no outstanding cumulative debt to the Bank may exceed twenty (20) working days per teacher.

l. In the event a unit member is granted days from the Bank at the same time he/she is drawing salary from Workmen's compensation, the individual may receive an amount from the Bank which will, together with the amount received from workmen's compensation, amount to no more than the individual's daily salary. The prorated amount of money, and the identical pro-rated number of days will be deducted from the amount of days and dollars remaining in the Bank.

m. Days granted will be reimbursed at a rate equal to the per diem rate of pay on the adopted salary schedule for the individual granted the days. After the thirty (30) day review, the SBC reserves the right to change the percentage rate of payment.

n. The SBC will review and present to the Sunman-Dearborn Community Schools Business Office approval or denial of all requests to draw on the Bank within ten (10) working days after such request is received by the committee. This information should be received by the Bookkeeping Department on the same day the service records are received from the building principals. The Committee will also make its decision known to the applicant within this ten (10) day period.

4. If a request for use of sick leave days is denied by the SBC, then the applicant may appeal the Committee's decision to the Appeal Board within ten (10) working days after the denial. Any decision by the Appeal Board must be by a majority vote. A tie vote will automatically support the SBC decision. All decisions of the Appeal Board are final and binding.

5. The Appeal Board will rule on any appeal within ten (10) working days after receiving the appeal in writing.

6. The Voluntary Sick Leave Bank is excluded from the Grievance Procedure.

7. A member shall be required to furnish, if the SBC requests, a medical report from a licensed physician at any time before or during the time of use of the Leave Bank. The medical report will be at the member's expense. The SBC will review each case required. The SBC reserves the right, if necessary, to limit the number of days granted.

8. A person who has used days from the Bank will be required to repay these days to the Bank at the rate of three (3) days per year until all the days have been paid back. Repayment will begin with the school year immediately following withdrawal of days

from the Bank. If an employee:

a. Retires, dies or leaves the employment of the School Corporation before the total number of days is paid back, then the remaining days owed will be deducted from any that the teacher has in his/her accumulated sick leave.

b. Remains an employee of the Sunman-Dearborn Community Schools and decides to withdraw from the Bank, any days donated remain the property of the Bank and any days owed to the Bank shall be deducted the same as if the person were continuing to be an active member.

9. In consideration of the benefits of participating in the Bank, each applicant for membership in the Bank shall, as a condition to such application, agree in writing substantially as follows:

*"I voluntarily acknowledge and agree that the granting of days from the Voluntary Sick Leave Bank shall be at the sole discretion of the Sick Bank Committee or, in the case of an appeal, the Appeal Board, and that all decisions of the Sick Bank Committee or, the Appeal Board will be final and binding and not subject to grievance. I further agree to abide by such decision and to indemnify and hold harmless The Sunman-Dearborn Community Schools, The Corporation Board of Trustees, The Sunman-Dearborn Educators Association, The Sick Bank Committee, The Appeal Board, and all of their agents for any loss they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by any of them concerning this application.*

10. When an employee donates days to the Bank, he/she agrees to the above stated Rules For Administration of the Bank and agrees to abide by the stated Rules.

11. An annual report of the Bank will be published on or before February 1 for each year the Bank is in operation. This report will be published by the Sunman Dearborn Educators Association and approved by the Superintendent of Schools of the Sunman-Dearborn Community Schools prior to publication. The report shall include a statement of the number of days remaining in the Bank, the total cost of the days granted, and the remaining cash balance available for the Bank.

O. A sabbatical leave, without pay or benefits, may be granted to any semi-permanent or permanent teacher for the purpose of personal growth and development that will eventuate in improved educational services to the students of the Sunman-Dearborn Community School Corporation. Such improvements are usually achieved by formal study, research, writing and/or travel.

1. Application forms are to be made available in the office of the Superintendent.

2. A sabbatical leave may be granted for one (1) semester or for one (1) school year. Application must be submitted to the Superintendent at least ninety (90) days before the leave is to be taken. Upon receipt of the application, the Superintendent will submit the request to the Board for approval or disapproval.

3. Teachers will not be eligible for more than one (1) sabbatical leave over a period of seven (7) consecutive years of employment with the Sunman-Dearborn Community School Corporation.
  4. The returning teacher will be given teaching experience credit for the time he/she was on leave.
  5. If a teacher who was granted leave under this section wishes to continue insurance benefits during the period of the leave, it shall be the responsibility of the teacher to make arrangements, in advance, with the Corporation's Business Office to continue such insurance benefits at the individual's expense. A failure to make and follow through with such advance arrangements will result in the individual being dropped from the group plan. This provision is subject to approval of the carrier(s).
  6. A teacher on this leave shall be afforded all of the rights, upon return, as any other teacher.
  7. Notification of intent to return from a sabbatical leave must be in writing to the school corporation by April 1<sup>st</sup> of the year before the employee returns to work in August. When a semester leave is granted, the employee must submit in writing a notification of intent to return forty-five (45) calendar days before the end of the semester that the employee is taking the leave of absence. If the employee does not submit an intent to return from a sabbatical leave within these stated guidelines, the school corporation will terminate the employment of the employee at the end of the leave.
- P. An employee summoned for jury duty, or subpoenaed as a witness, will be excused from work upon presentation of the court notice to his/her building principal. The vesting requirement may be waived in cases of retirement caused by disability of ill health, provided the retiring teacher provides satisfactory medical documentation to the School Corporation.
6. Costs. The School Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) Retirement Severance and Early Retirement Program Buyout Plan. All costs incurred in the administration of the 401(a) Retirement Severance and Early Retirement Program Buyout Plan and investment fees shall be paid from the 401(a) Retirement Severance and Early Retirement Program Buyout Plan assets.
7. Additional Plans. The School Corporation may establish other qualified plans as described in section 401(a) of the Code, subject to such terms and conditions as the School Corporation shall determine, in its sole discretion, to be appropriate. Such additional plans may be maintained separate from the 401(a) Plan or for administrative convenience maintained as part of the 401(a) Plan.

C. VEBA. The School Corporation has established a voluntary employees' beneficiary association ("VEBA"), as described in section 501(c)(9) of the Internal Revenue Code. Employees which received deposits are subject to the following conditions.

1. Separate Accounts. Deposits made for each employee will be invested in separate accounts. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the selected investment vendor for the VEBA.
2. Vesting. Until such time that an employee has retired and satisfied the eligibility requirements set forth in Subsection A of this article, the employee shall have no access to the assets held in his or her VEBA account.
3. Forfeiture. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in Subsection A of this Article, for any reason, the terminated employee's VEBA account shall be forfeited. The forfeited amounts shall be placed in a forfeiture account and shall be used by the School Corporation to fund retirement obligations.
4. Distributions. Following retirement and the satisfaction of the requirements set forth in Subsection A of this Article, a retired employee may use the amounts held in his/her separate VEBA account for any expenses permitted by the IRS. (At no time

may the VEBA make loans to an employee, his/her spouse, or dependents.) If an employee shall die, the deceased employee's VEBA shall be distributable according to IRS guidelines.

5. Disability. If a teacher who received a deposit becomes "classroom disabled" as defined by the Indiana State Teachers Retirement Fund or "permanently disabled" as defined by the Social Security Administration, the teacher's VEBA account shall be the property of the teacher. The vesting requirement may be waived in cases of retirement caused by disability of ill health, provided the retiring teacher provides satisfactory medical documentation to the School Corporation.
6. Costs. The School Corporation shall not be paid any compensation for its services performed on behalf of the VEBA. All costs incurred in the administration of the VEBA and investment fees shall be paid from the VEBA assets.

- b. Such deposits shall be made on a monthly basis.
- c. Teachers will have the option of investing their dollars in approved tax deferred annuities, or continuing to invest their dollars in tax deferred annuities for which money is already being deducted from the teacher's salary, if any.

Any contributions made by the Board to the Section 401(a) Plan on behalf of certified employees are subject to a vesting schedule with 100% vesting to occur upon completion of the fifth year of employment in the Sunman-Dearborn Community School Corporation. Authorized leaves of absences shall not be considered to be a break in continuous employment. A teacher who is not fully vested in this program and who voluntarily resigns or is terminated shall forfeit any non-vested amounts and shall not retain any prior partial vesting rights if ever rehired by the board.
- e. In the event a certified employee dies in active service, all of the Board's contributions to the 401(a) Plan, plus all accrued earnings shall be paid to his or her named beneficiary.
